## Fruit drives French white

**Touraine 2010, Cendrillon, Domaine de la Garrelière, France white, \$21.35, SAQ # 10211397.** Organic. Great Loire white that blends sauvignon blanc with chenin blanc. Acidity comes naturally here, and in the best years, including 2010, seems to balance itself perfectly with the flesh. The minerality is there, but this is driven by the fruit - pear and lemons, very white-fruited. So appetizing and easy to drink. Serve at 6-8C. **Drink now - 2014. Food pairing idea:** apéritif, trout and other lighter fish.
